DATE: November 21, 2018, for Submission onto the Agenda of the December 4, 2018, City Council Meeting

ITEM: Approval for the Mayor to sign the List of Roadways for the Fiscal Year 2019 CIP Resurfacing

Recommendation:

Staff recommends that the Mayor and City Council approve the attached list of streets for the Fiscal Year 2019 CIP resurfacing.

Background:

In furtherance of Operation Pave On, the Public Works Department has compiled a list of roads in need of resurfacing based on the street ratings performed in 2018.

Discussion:

The attached list represents approximately 10.04 miles of roads that are in need of resurfacing. The list was compiled using the 2018 Street Rating. The streets listed represent those with low pavement condition index (PCI) scores within the City's network and those that are logical to complete in conjunction with the lower ranked streets.
