

STATE OF GEORGIA  
COUNTY OF FULTON

A RESOLUTION TO AUTHORIZE THE PURCHASE AND FINANCE OF NEW  
EQUIPMENT FOR THE CITY OF SANDY SPRINGS FIRE RESCUE DEPARTMENT

**WHEREAS**, the Mayor and City Council of the City of Sandy Springs are charged with the protection of the public health, safety, and welfare of the citizens of Sandy Springs, Georgia (“City”); and

**WHEREAS**, Section 1.03(b)(25) of the City Charter grants the City the power to operate a fire-fighting agency; and

**WHEREAS**, in order to provide for the highest level of public health, safety, and welfare for the citizens of the City, the Sandy Springs Fire Rescue Department (“Department”) requires new equipment to provide adequate fire protection in the area of the City known as the “panhandle;” and

**WHEREAS**, the “panhandle” is located in the northeast section of the City and extends between the Chattahoochee River to the north and the City of Dunwoody to the south, ending in a very small border with Peachtree Corners in Gwinnett County; and

**WHEREAS**, for such purpose the Department desires to purchase an apparatus known as a Pierce Enforcer Pumper (“Engine/Pumper”), manufactured by Pierce Manufacturing, Inc. (“Pierce”), which meets ISO requirements, together with certain additional equipment appurtenant thereto (“Equipment”); and

**WHEREAS**, the Department has determined that the Engine/Pumper and Equipment will provide adequate fire apparatus needs to the “panhandle” area; and

**WHEREAS**, since the City’s inception, Pierce has been the sole source of fire engines and trucks; and

**WHEREAS**, the acquisition of the Engine/Pumper and Equipment from Pierce is considered to be a sole source acquisition because Pierce is the only provider of equipment meeting the specifications of the Department with local in-house servicing capabilities; and

**WHEREAS**, the Pierce Engine/Pumper and Equipment is favored by the Department because it is compatible with existing Department equipment; and

**WHEREAS**, Pierce has provided the City with a quotation for the purchase of the Engine/Pumper in the amount of \$560,620.00, attached hereto as Exhibit A, and a quotation for the purchase of the Equipment in the amount of \$82,279.13, attached hereto as Exhibit B (together, the “Selling Price”); and

**WHEREAS**, Pierce has represented to the City that the Selling Price is as low as or lower than the price it has given to any other buyer in a cash transaction for a single vehicle sale of the Pierce Enforcer Pumper similarly equipped within the last six (6) months; and

**WHEREAS**, the City imposes impact fees to ensure the availability of public facilities necessary to accommodate growth and development, including fire facilities; and

**RESOLUTION NO. 2017-02-18**

**WHEREAS**, the Department has sufficient appropriations in impact fees to fund the Engine/Pumper and Equipment; and

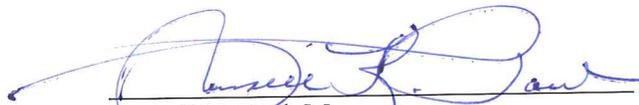

**WHEREAS**, the City desires to utilize the impact fees so appropriated to purchase the Engine/Pumper and Equipment to protect the "panhandle" area of the City.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Sandy Springs, Georgia, that:

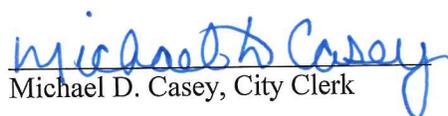

1. The purchase of the Engine/Pumper and Equipment in accordance with the attached quotations is hereby authorized; and
2. The use of impact fees for the purchase of the Engine/Pumper and Equipment is hereby authorized; and
3. The City Manager is hereby authorized to execute such documents and to take such actions deemed necessary or prudent to effectuate the intent of this resolution.

**RESOLVED** this the 7<sup>th</sup> day of February, 2017.

Approved:

  
Russell K. Paul, Mayor

Attest:

  
Michael D. Casey, City Clerk

(Seal)

**EXHIBIT A**

**QUOTATION FOR PURCHASE OF ENGINE/PUMPER**

**PROPOSAL FOR FURNISHING FIRE APPARATUS**

January 19th, 2017

Sandy Springs, Georgia

The undersigned is prepared to manufacture for you, upon an order being placed by you, for final acceptance by Pierce Manufacturing, Inc., at its home office in Appleton, Wisconsin, the apparatus herein named and for the following prices:

Pierce Enforcer pumper, Per attached specifications \$ 560,620.00

Price includes delivery and training at customer's location

Price includes a \$21,889.00 discount per truck for 100% prepay

Within 30 days of order.

**Price valid through 2/20/2017**

Said apparatus and equipment are to be built and shipped in accordance with the specifications hereto attached, delays due to strikes, war, or intentional conflict, failures to obtain chassis, materials, or other causes beyond our control not preventing, within about **210** working days after receipt of this and the acceptance thereof at our office at Appleton, Wisconsin, and to be delivered to you at: Sandy Springs fire department headquarters.

---

The specifications herein contained shall form a part of the final contract, and are subject to changes desired by the purchaser, provided such alterations are interlined prior to the acceptance by the company of the order to purchase, and provided such alterations do not materially affect the cost of the construction of the apparatus. The proposal for fire apparatus conforms with all Federal Department of Transportation (DOT) rules and regulations in effect at the time of bid, and with all National Fire Protection Association (NFPA) Guidelines for Automotive Fire Apparatus as published at the time of bid, except as modified by customer specifications. Any increased costs incurred by first party because of future changes in or additions to said DOT or NFPA standards will be passed along to the customers as an addition to the price set forth above. Unless accepted within 30 days from date, the right is reserved to withdraw this proposition.

PIERCE MANUFACTURING, INC.
