(a) All ordinances passed subsequent to the passage of the ordinances originally included herein, which amend, repeal or in any way affect this Code, may be numbered in accordance with the numbering system of this Code and added hereto. In the case of
repealed chapters, sections and subsections or any part thereof, by subsequent ordinances, such repealed portions may be excluded from the Code by omission from reprinted pages affected thereby.

(b) Amendments to any of the provisions of this Code may be made by amending such provisions by specific reference to the section number of this Code in the following language: “That section ______ of The Code of the City of Sandy Springs, Georgia is hereby amended to read as follows: ________.” The new provision may then be set out in full as desired.

(c) In the event a new section not theretofore existing in the Code is to be added, the following language may be used: “That The Code of the City of Sandy Springs, Georgia is hereby amended by adding a section (or article or chapter) to be numbered ________, which said section (or article or chapter) reads as follows: ________.” The new section (or article or chapter) may then be set out in full as desired.

The pages of a supplement shall be so numbered that they will fit properly into the Code and will, where necessary, replace pages which have become obsolete or partially obsolete. The new pages shall be so prepared that, when they have been inserted, the Code will be current through the date of the adoption of the latest ordinance included in the supplement. Charter amendments may be included in like manner.

(b) In the preparation of a supplement to this Code, all portions of the Code which have been repealed shall be excluded from the Code by the omission thereof from reprinted pages.

(c) When preparing a supplement to this Code, the codifier (meaning the person, agency or organization authorized to prepare the supplement) may make formal, nonsubstantive changes in ordinances and parts of ordinances included in the supplement, insofar as it is necessary to do so to embody them into a unified Code. (2) Provide appropriate catchlines, headings and titles for sections and other subdivisions of the Code printed in the supplement, and make changes in such catchlines, headings and titles;
Assign appropriate numbers to sections and other subdivisions to be inserted in the Code and, where necessary to accommodate new material, change existing section or other subdivision numbers;

Change the words “this ordinance” or words of the same meaning to “this chapter,” “this article,” “this division,” etc., as the case may be, or to “sections _______ through _______” (inserting section numbers to indicate the sections of the Code which embody the substantive sections of the ordinance incorporated into the Code); and

Make other nonsubstantive changes necessary to preserve the original meaning of ordinance sections inserted into the Code; but, in no case shall the codifier make any change in the meaning or effect of ordinance material included in the supplement or already embodied in the Code.

Section 7: Provisions Considered as Continuation of Existing Ordinances

The provisions appearing in this Code, so far as they are substantially the same as ordinances existing at the time of the effective date of this Code, shall be considered continuations thereof and not as new enactments.

(a) It shall be unlawful for any person in the city to change or amend by additions or deletions, any part of this Code, or to insert or delete pages or portions thereof, or to alter or tamper with such Code in any manner whatsoever which will cause the law of the city to be misrepresented thereby.

(b) It shall be unlawful for any person to deface, mutilate, or in any other manner alter any ordinance book or minute book, or any notice posted by the city for the benefit of the public, or any other document or record of the municipal government of the city.
