**ORDINANCE NO. 2007-03-25**

**RZ07-003**

**Reading: March 20, 2007**

**STATE OF GEORGIA  
COUNTY OF FULTON**

**AN ORDINANCE TO AMEND ARTICLE 4, GENERAL PROVISIONS, OF THE  
CITY OF SANDY SPRINGS ZONING ORDINANCE**

**WHEREAS**, the Mayor and City Council of the City of Sandy Springs find that from time to time it is necessary to amend sections of the Zoning Ordinance to correct, clarify, and update the provisions of the Ordinance; and

**WHEREAS**, the Mayor and City Council find that it is necessary to exempt the creation of nonconforming lots or structures to include certain actions by the City; and

**WHEREAS**, the Mayor and City Council find that it is necessary to specify that accessory site features must comply with minimum yard and setback requirements; and

**WHEREAS**, the Mayor and City Council find that requiring the screening of accessory site features works toward maintaining the health, safety, and welfare of the City's residents and property owners; and

**WHEREAS**, the Mayor and City Council find that it is necessary to amend sections of the subject Article regarding landscaping to correspond to the newly adopted Tree Conservation; and

**NOW, TIHEREFORE**, to accomplish the foregoing, the Mayor and City Council of the City of Sandy Springs, Georgia, pursuant to their authority, do hereby adopt the following Ordinance:

**1.**

Article 4, *General Provisions*, Section 4.3, *Exceptions*, Section 4.3.1, *Nonconforming Lots, Uses and Structures, E., Exemptions Due to State or County Action*, of the City of Sandy Springs Zoning Ordinance is hereby amended by the renaming of the section, to read as follows:

Exemptions Due to City, County, or State Action.

2.

Article 34, *Development Regulations*, Section 34.5, *Site Improvement Standards*, Section 34.5.7, *Minimum Setback for New Street*, shall be deleted in its entirety and a new section shall be inserted therefor to read as follows:

34.5.7 MINIMUM SETBACK FOR NEW PUBLIC AND PRIVATE STREETS.  
The right-of-way for new public streets and the easement or common area for new private streets must be located a minimum of fifty (50) feet from any peripheral property line adjoining AG-1 and residentially zoned property unless interparcel access is required or provided.

3.

Article 34, *Development Regulations*, Section 34.5, *Site Improvement Standards*, Section 34.5.10, *Building Setback from Pipeline Easement*, shall be deleted in its entirety and a new section shall be inserted therefor to read as follows:

34.5.10 DEVELOPMENT NEAR PIPELINE EASEMENTS.

A. Setback Requirements and Land Use Restrictions

1. Buildings used for human occupancy shall not be permitted within any easement containing a gathering or transmission line as defined in this Ordinance.
2. No building or structure, or part thereof, which is used for the manufacturing, processing, generation or storage of any material in the following listing shall be constructed within one hundred twenty-five (125) feet of any gathering, or transmission line easement.
  - a. corrosive materials
  - b. highly toxic materials
  - c. oxidizing materials
  - d. pyrophoric materials
  - e. water reactive materials
  - f. highly combustible materials
  - g. flammable materials
  - h. explosive materials
  - i. materials that pose a hazard to human health
  - j. loose of combustible materials

B. Exceptions and Exemptions. Setbacks required by this Section that are in addition to easements for gathering or transmission lines, or the actual easements if permission is granted by the owner or operator of the easement, shall not apply to the following:

access to a property, when no other reasonable access is permitted, or any building, land disturbance or construction necessary to provide utility service to a parcel of land;

2. Any land disturbance or construction on a gathering or transmission line by or on behalf of the owner or operator of the gathering or transmission line;
3. Any driveway, street, parking lot, tennis court, volleyball court, play area, recreational area, deck, patio, or any other impervious surfaces.

C. Variance Criteria. The reconstruction of any structure existing at the time of this Section's adoption that does not comply with the terms of this Section (34.5.10) may be considered for an Administrative Variance in accordance with Article 22 and special consideration be given for reconstruction on same foot print when safety permits.

Any other deviation to the requirements of this Section shall be considered as a Primary Variance or Concurrent Variance in accordance with Article 22, *Appeals*, and shall comply with Section 22.4.1, *Variance Considerations and Findings*.

D. Land Disturbance Permit Requirements

In addition to any other requirements contained herein, all land disturbance permit applications shall provide the following:

1. A survey by a professional engineer or land surveyor licensed in the State of Georgia indicating the location of all gathering or transmission line easements and rights-of way indicating:
  - a. gathering or transmission line plan location and depth;
  - b. gathering or transmission line size;
  - c. the location of all off-site gathering or transmission line easements and rights-of-way within forty (40) feet of the boundaries of the subject property.

4.

All ordinances, parts of ordinances, or regulations in conflict herewith are repealed.
