

PUBLIC SAFETY

SSPD

North District

- Workers boring for cable struck a gas line in front of Hudson Grill on Roswell Road, forcing the road to be shut down in both directions for safety reasons. Numerous units were called to provide assistance at the scene.
- On Tuesday February 2nd, between 10 and 11:30 p.m., the windows of two different vehicles were broken into outside the Hudson Grill and various items, including two laptops, were taken.
- A lock was broken off a locker at LA Fitness on Roswell Road, and a Gucci watch was stolen.
- Between 8 and 8:30 a.m. on Feb. 5th, a padlock was cut off the rear of a lawn care truck on Ball Mill Road, and a lawnmower was taken.
- On Feb. 6, in mid afternoon, a window was broken out of a vehicle and a purse was stolen while it was parked at the tennis center on Abernathy.
- During the overnight hours of Feb. 7, windows of three vehicles on Huntcliff Village Court were broken into, but no items were reported missing.
- An investigation continues into a possible arson in the 6900 block of Roswell Road. A juvenile told SSPD that he observed other juveniles running from the scene, where a cable box was on fire. Fire arson investigators were notified. One apartment experienced smoke damage.
- Sgt. Barkley participated in a career fair at Spalding Elementary School.

South District

- South district conducted selective speed enforcement on I-285 this past weekend. The unit compiled more than 35 speeding citations for 85 miles per hour and over, and "Move-Over" violations.
- An attempted burglary on Lake Island Drive resulted in an arrest of the suspect. The victim came home to find a man inside his house. The suspect fled in his car, and the victim followed while calling police. Responding officers located the offender's vehicle made the arrest. The suspect had a crowbar with him, used to pry the door at the home. Officers also recovered a list of addresses of homes in the area, all-vacant, that were probably targeted for future burglaries.
- Two suspects broke into several cars in the parking deck at 5600 Roswell Road. The suspects used their vehicle, a Chevy Tahoe, as cover by raising the car hood as if to be engaged in repairing the Tahoe, and then breaking into cars. The suspects entered the Target Store at the Prado to purchase a screwdriver, and were recorded on Target's surveillance cameras. Good images were provided to detectives for the investigation.

Street Crimes Unit

- The Unit worked "entering auto" prevention detail at Ray's on the River, Rio Bravo, Hilton and Sheraton.
- The Unit made one felony arrest; located one wanted person and spent 40 hours conducting surveillance. One case was cleared.
- The Unit assisted Roswell PD in the location and arrest of a stalking suspect.

Special Investigations Unit (SIU)

- The Unit made one city arrest; conducted two traffic stops; and located one wanted person. The Unit worked nine drug complaints; 48 hours on surveillance; and conducted one search warrant.
- Eight new cases were opened, and the Unit seized 4.1 grams Marijuana and one gram of Cocaine.

- The Unit worked multiple (massage parlor) prostitution locations – several locations showing “out of business.”
- The Unit provided assistance to ICE with the subject located and arrested on various drug charges. A drug tip at Cedar run also resulted in an arrest.

Traffic/K9 Unit

- The Unit made one felony arrest; five misdemeanor arrests; and conducted 26 traffic stops. There were 44 citations issued; 10 K9 searches conducted; and 17 hours worked on traffic complaints. The Unit cleared 12 cases and provided 35 hours assisting other units.
- Five DUI arrests were made; two speeding citations issued; 19 moving violations cited; and four non-moving violations cited.

Criminal Investigations Division

- A possible lead has developed in the armed robbery/aggravated assault case of a taxi driver who was severely beaten in the head.
- Two arrests were made in a failed drug deal on Royervista. In this case, the buyer attempted to rob the seller of his marijuana at knifepoint. While he reached into the seller’s vehicle to attempt to grab the marijuana and stab the seller, the seller attempted to drive off to escape being stabbed. The purchaser was dragged and seriously injured after falling from the seller’s vehicle. The seller and his girlfriend (who was inside the vehicle) were both charged with felony possession and intent to distribute marijuana and taken to jail. The injured marijuana purchaser was taken to Grady in serious condition and has still not been identified. Arrest Warrants will be obtained once he recovers.

Community Affairs

- Sgt. Momon attended Social Media and Community Outreach training.

Volunteers

- The Citizens on Patrol Unit worked 204 hours and conducted 36 shifts this past week.
- They conducted 14 house checks and issued 33 handicap-parking citations.
- More than 1,000 miles were covered on patrol. The unit completed one street light map for Public Works.
- A number of units worked a traffic detail at the intersection of Roswell Road and Franklin Road during both the morning and evening rush-hours to assist with heavy traffic congestion at this location due to ongoing construction.
- The Unit also assisted the Traffic Unit providing traffic control while the Traffic Unit reconstructed a fatal accident which had occurred earlier in the week as part of its investigation.

TRANSPORTATION

PROJECTS PROVIDING MAJOR TRAFFIC IMPACTS

- **Windsor Parkway and Jolyn Place** – A closure remains in place with Franklin Road the designated detour as road repairs continue. Motorists should expect the closure to be in place through April 15th.
- **Johnson Ferry Road** (Marsh Creek project) – The lane closure on the northern most lane on Johnson Ferry Road beginning at Ferry Drive and ending just before Sandy Springs Circle continues. Flagmen will direct the traffic flow at the closure, which takes place between 9 a.m. – 4 p.m. only. Weather permitting, work should be completed before the end of the month.
- **I-285/Riverside Drive** – Utilities relocation is underway for this GA Department of Transportation project. The more active construction is expected to begin in the spring and will take place both day and night; however, lane closures will only take place during weeknights from 9 p.m. – 5 a.m., and on weekends from 8 p.m. – 10 a.m. One travel lane will remain open at all times, except during bridge maintenance work, when all lanes in each direction will close and a detour will be in place. Updates on any needed closures will be posted on the City's Road Work Advisory page (<http://spr.gs/roadwork>) Details about the project can be found on the project page on the City's website - <http://www.sandyspringsga.org/Home/Components/FacilityDirectory/FacilityDirectory/184/202>

The City maintains a **Road Work Advisory page** with updates on all planned lane and road closures and advisories. A link to the information can be found on the City's website (www.sandyspringsga.gov) under the Residents tab – Road Projects and Traffic Watch Map pages. A short URL for bookmarking – <http://spr.gs/roadwork> The Road Work link on the Sandy Springs Works app also contains the same information.

CIP

- T-02 Abernathy Road/Johnson Ferry Road Improvements: Preliminary work to install pedestrian lighting on Abernathy Road between Wright Road and Brandon Mill, Abernathy Road between Wright Road and Roswell Road and Johnson Ferry Road from Abernathy Road to Long Island Drive is underway. Final completion is projected for March. There will be additional sidewalk work, brick paver installation and landscaping for the Johnson Ferry Road project. Lighting is

also scheduled to be installed on the south side of Abernathy from Roswell Road to Johnson Ferry.

- T-8 Roswell Road Streetscape from Carpenter Drive to Hammond Drive: The contractor has begun to mobilize in preparation for the start of construction activities. Much of the construction activities will occur at night, with completion expected in the summer. The project installs Downtown Overlay District streetscape features to include pedestrian lighting and landscaping, and it upgrades the sidewalk section to current accessibility standards.
- T-33 CDBG Sidewalks: The design and survey work to develop the overlay district-compliant streetscape on the west side of Roswell Road from I-285 to Long Island Drive is underway. A pedestrian scale street lighting project is also in design for the north side of Northridge Road from Roswell Road to Dunwoody Place with installation planned for the spring.
- T-34 Morgan Falls Road: Work continues to install sidewalks, retaining walls and associated features to improve pedestrian access along Morgan Falls Road to Overlook Park. Future roadway repaving and landscape projects will complement this current phase of work. Due to the construction activities underway and the narrow roadway, **motorists are urged to exercise caution and expect delays when traveling to Overlook Park.**
- T-43 Glenridge Drive at Roswell Road Intersection: More than 60 people attended the Public Information Open House (PIOH) held this week to answer questions related to the design for this intersection safety project.
- T-45 Windsor Parkway at Roswell Road Intersection Relocation: Construction continues. The project improves the alignment of the intersection of Windsor Parkway at Roswell Road with completion scheduled for spring 2016.
- T-50- I-285 at Riverside Interchange: Council approved a Memorandum of Understanding, Mowing and Maintenance Agreement and a Lighting Agreement with the Georgia Department of Transportation. The City will augment lighting and landscaping of the GDOT-administered interchange design-build project. Preliminary site work is scheduled to begin this month.
- Interstate North Parkway at Riveredge Parkway: The project adds signalization and turn lane improvements at this intersection with completion planned for spring 2016.
- Heards at Raider Drive Intersection Improvement: The project adds turn lanes and new signalization at this intersection, and is scheduled to begin in the next few weeks in conjunction with utility relocations. Work is projected to be completed this summer.
- Powers Ferry at Heards Road Intersection Improvement: The project adds turn lanes at this intersection. Utility relocations are underway, with construction to follow. Work is projected to be completed this summer.

Transportation Division

NATURAL RESOURCE PROTECTION

Stormwater

- There are 46 identified projects: three are under construction, one under design, seven in contract development, five in right-of-way/easement acquisition, 25 in scope development and the remaining pending final invoice or inspection.
- Twelve new drainage work requests were received last week.
- 125 Kingsport Drive – A storm pipe will be lined. A schedule is being coordinated with the contractor.
- 145 Landsdowne Drive – A headwall will be replaced. Blount Construction appears to have the lowest price. A schedule will be coordinated with the contractor when the purchase order is issued.
- 5690 Lake Forrest Drive – A structure will be lined. Blount Construction is scheduled to start the week of February 16th.

- 4810 Rebel Trail – Catch basin tops will be replaced and a structure will be rebuilt. Chatfield Contracting appears to be the low bidder. A schedule will be coordinated with the contractor when the purchase order is issued.
- 4525 Mount Paran Parkway – A pipe will be lined. Pricing is due February 10th.
- 655 Glenairy Drive – A catch basin will be re-grouted, and cast-iron hoods will be replaced. Pricing is due February 18th.
- 6385 Riverside Drive – A catch basin will be re-built, and a concrete collar will be placed at a broken pipe joint. Pricing is due February 25th.
- 6445 Scott Valley Road – A pipe will be lined, and a catch basin will be rebuilt. Pricing is due March 3rd.
- **Lake Forrest Dam** – Siphons were installed on the outfall structure to drain Lake One – two feet per week over a period of four to eight weeks. The schedule is dependent on the weather and the amount of rainfall received.

ENVIRONMENTAL COURT was held on February 5, 2016 – Eighteen (18) Defendants were scheduled to appear in municipal court charged with 25 municipal code violations. Nine defendants with 13 charges were adjudicated with fines assessed. Three defendants with four charges failed to appear. Six defendants with eight charges were reset.

SUSTAINABLE GROWTH

PROGRESS REPORT

Comprehensive Plan (Next Ten)

- The Next Ten team is refining preliminary concepts based on input from the public meeting and stakeholder meetings held in January. Meeting minutes and reporting of all comments will be posted on The Next Ten website once completed. The next milestone activity will be a meeting with the zoning consultant and the City Council in late March.
- City Council approved a memorandum of understanding with other North Fulton localities to join together with the Atlanta Regional Commission to develop an update to the North Fulton Transportation Plan. This planning process will look at regional transportation issues and develop plans to implement improvements. It is anticipated that the planning period will take approximately 15 to 18 months. The Request for Proposals has been advertised.

Impact Fees

- A study of the current system will begin with recommendations to come to the Mayor and Council in early spring. Work to date has involved data collection and analysis.
