

## PUBLIC SAFETY

### SSPD

#### Personnel

- SSPD announced several promotions and internal changes. Keith Zgnoc was promoted to Deputy Police Chief. Major David Bertrand will serve as Executive Director of ChatComm 911 and oversee civilian functions; Craig Chandler was promoted to Major and will share operational responsibilities with Maj Eskew.

#### North District

- Officers spoke with the HOA president of Whispering Pines about crime issues and organizing a neighborhood watch. Extra patrols were conducted in the area.
- A decoy car was utilized in the district to deter criminal activity.
- Two forced entry burglaries took place on Hampton Drive and Riverside Drive. Nothing was taken from Hampton Drive address, but lawn power tools and a 4-wheeler were taken from Riverside Drive residence.
- Car break-ins continue on Mt Vernon Road, at the Stars and Strikes parking lot, and at the North River Tavern parking area. Among the items taken was a Fulton County PD radio. A handgun was taken from a car on Peachtree Hollow Court. The victim left his car unlocked, enabling thieves' easy entry.

#### South District

- Several cars were spray painted at the Calibre Springs Apartments. A witness said the painters were two, young Hispanic males, believed to be middle-school age.
- The Church of Scientology on Roswell Road reported a theft that occurred just after midnight on February 12, 2016. According to the employee who reported the theft, an Hispanic male was found inside holding a metal case that contained an "Electro-Meter or E-Meter," an electronic device the church considers a religious artifact. The suspect fled across Roswell Road.
- Thirty-nine-year old Summer Hibbert of Forrest Place was arrested after she reported the theft of the rims/tires of her BMW, which was parked at her residence. While the officers were at the residence, two independent witnesses told officers that they saw two men remove the rims/tires from the car. One witness said they saw the two men go inside the house with the rims and tires and then leave the house without them. One of the officers asked and received permission by Hibbert to look inside the home, where the rims and tires were located. Hibbert was charged with the false report of a crime and failure to appear on a previous unrelated court case.

#### Street Crimes Unit

- A suspect in a Game Stop robbery was taken into custody.
- The Unit made one felony arrest; two misdemeanor arrests; and located two wanted persons. Ten hours in surveillance work was conducted and one case was cleared.

#### Traffic/K9 Unit

- Sgt. Laughman has been named the new K9 Sergeant.
- The Unit made one misdemeanor arrest; completed 26 traffic stops; issued eight citations; and located one wanted person.
- The Unit made two DUI arrests; issued two speeding citations and cited eight moving violations.

#### Criminal Investigations Division

- Suspects were acting disorderly in the drive-thru line at Steak and Shake. When asked to stop by management, the driver threatened to kill everyone in the store and then sped off, later

calling the store harassing the employees. Information is being developed on the suspect.

- A victim reported that she allowed a short black male to stay with her for a couple of weeks. He left expectantly, taking her keys and car without her permission. Based on the name and description the victim provided and with the help of other research databases, an arrest warrant was obtained for the suspect.
- Officers obtained the identification of the marijuana “robber” at Grady (regarding last week’s person struck by auto/marijuana sale/robbery attempt). An arrest warrant will be obtained before the suspect is released from the hospital.
- With the help of Clayton County PD and Clayton County Sheriff’s Office, a search warrant was served at a residence in Clayton County. The warrant was related to a burglary in Sandy Springs where a PlayStation 4 and a pistol were stolen. The gun was used in a home invasion/shooting on Nesbit Ferry and later recovered in an attempted home invasion in Atlanta. The search warrant yielded several valuable pieces of evidence and a possible suspect.

#### Community Affairs

- The next Citizen Police Academy is scheduled for March 8<sup>th</sup>.
- Chief DeSimone attended Chief’s Day at the Capitol.

#### Volunteers

- The Citizens on Patrol Unit worked 199 hours and conducted 32 shifts this past week.
- They conducted 13 house checks and issued 36 handicap-parking citations.
- A total of 1,107 miles were covered on patrol.
- COPS assisted with traffic control related to the weekend fire at Mosiac Apartments.
- COP unit members attended training related to moving the traffic trailer from various locations and on completing SR-13 (accident on private property) reports.
- Citizens on Patrol Class #7 began this past Tuesday.

Total Alarm Calls: 76, False Alarms: 73, Calls for Service: 2,207, Citizen Initiated Calls for Service: 767, Officer Initiated Calls for Service: 1,440, Accidents: 102

#### SSFR

##### Operations:

- Responded to a total of 222 calls: Eight Fires, 107 EMS calls, 19 Service Calls, 68 Good Intent Calls, 15 False Alarms
- Crews responded to the 1000 block of Brentwood Way to reports of a structure fire. Crews found light smoke showing from the side of structure. The fire was contained to a pot on the stove, with smoke damage to drywall behind the stove and cabinets above. Crews removed the burning pot from the structure and smothered out the fire. Personnel checked for extension with the Thermal Imaging camera.
- Crews responded to reports of a fire in the 6900 block of Roswell Road. Crews found fire on the exterior side near gas meters. Personnel cleared occupants from the apartment units. Crewmembers were able to extinguish the fire before it made its way inside the structure.
- Crews responded to a structure fire in the 2800 block of Harwick Drive. Crews found nothing showing and performed a walk around. Light smoke was found in the kitchen area with fire found in the wall. The fire was extinguished.
- Crews responded to reports of a possible structure fire in the 2100 block of Sandalwood Drive. They found a three-story multi-family dwelling with no signs of smoke or fire showing. Crews entered the structure to investigate and found a cooking fire that was out on arrival in one unit. Personnel removed burned articles and debris from the kitchen counter and performed horizontal ventilation to remove a light haze of smoke. Preliminary investigation

indicates that a toaster possibly shorted out on the kitchen counter causing damage to the kitchen cabinets above.

- Crews responded to a structure fire report at an apartment complex in the 5600 block of Roswell Road. Crews found no smoke showing around the three-story apartment, but further investigation indicated a light smoke starting to come from the roof. Personnel were assigned to rapid intervention with 2.5" hose to handle fire breaching the back of the apartment.

#### Inspections:

- There were 39 inspections conducted with 49 violations cited.

#### Training:

- CPR Training for 14 individuals
- Six TEMS members participated in monthly training.
- Fire Warden Training was held for 24 individuals.
- Child abuse prevention training
- Driver Operator training
- Four car seat inspections were conducted with four adults trained.

#### Safety Education & Public Relations Events:

- Three Fire Safety Education Events were held with 162 participants: One Birthday party, one Career Day for a Middle School and a Public Education event.

#### Public Information:

- Fire Inspectors Kearns, Westbrook and Stute attended the Fire Inspector I, Level 1 course. All passed the certification examination.

## TRANSPORTATION

### PROJECTS PROVIDING MAJOR TRAFFIC IMPACTS

- **Windsor Parkway and Jolyn Place** – The closure remains in place with Franklin Road the designated detour as road repairs continue. Motorists should expect the closure to be in place through mid April. Information regarding the closure and updates on the road repairs can be found on the City's website – [www.sandyspringsga.gov/windsor](http://www.sandyspringsga.gov/windsor)
- **Roswell Road from Cliftwood to Hammond Dr** – Construction as part of the Streetscape project is underway, with activity on both sides of Roswell Road. Construction work will take place primarily at night (9:30 p – 6:30a) with lane closures also in place during construction hours.
- **Johnson Ferry Road (Marsh Creek project)** – The lane closure on the northern most lane on Johnson Ferry Road beginning at Ferry Drive and ending just before Sandy Springs Circle continues. Flagmen will direct the traffic flow at the closure, which takes place between 9 a.m. – 4 p.m. only. Weather permitting work should be completed before the end of the month.
- **I-285/Riverside Drive** – GDOT removed several trees in association with this project. The more active construction is expected to begin in the spring and will take place both day and night; however, lane closures will only take place during weeknights from 9 p.m. – 5 a.m., and on weekends from 8 p.m. – 10 a.m. One travel lane will remain open at all times, except during bridge maintenance work, when all lanes in each direction will close and a detour will be in place. Updates on any needed closures will be posted on the City's Road Work Advisory page.

The City maintains a **Road Work Advisory page** with updates on all planned lane and road closures and advisories. A link to the information can be found on the City's website ([www.sandyspringsga.gov](http://www.sandyspringsga.gov)) under the Residents tab – from both the Road Projects and Traffic Watch Map pages. A short URL for bookmarking – <http://spr.gs/roadwork>. The Road Work link on the Sandy Springs Works app also contains the same information.

## CIP

- T-02 Abernathy Road/Johnson Ferry Road Improvements:
  - Preliminary work to install pedestrian lighting on Abernathy Road between Wright Road and Brandon Mill, Abernathy Road between Wright Road and Roswell Road and Johnson Ferry Road from Abernathy Road to Long Island Drive is underway. Additional sidewalk work, brick paver installation and landscaping for the Johnson Ferry Road project is planned. Lighting will be installed on the south side of Abernathy from Roswell Road to Johnson Ferry.
- T-8 Roswell Road Streetscape from Carpenter Drive to Hammond Drive: The contractor has begun to mobilize in preparation for the start of construction activities with much of the **construction activities occurring at night (9:30 p – 6:30 a). Lane closures are planned during the night work hours.** The project installs Downtown Overlay District streetscape features to include pedestrian lighting and landscaping, and upgrades the sidewalk section to current accessibility standards.
- T-33 CDBG Sidewalks: The design and survey work to develop the overlay district-compliant streetscape on the west side of Roswell Road from I-285 to Long Island Drive is underway. A pedestrian scale street lighting project is also in design for the north side of Northridge Road from Roswell Road to Dunwoody Place with installation planned for the spring.
- T-34 Morgan Falls Road: Work continues to install sidewalks, retaining walls and associated features to improve pedestrian access along Morgan Falls Road to Overlook Park. **Due to the construction activities underway and the narrow roadway, motorists are urged to exercise caution and expect delays when traveling to Overlook Park.**
- T-43 Glenridge Drive at Roswell Road Intersection: A Public Information Open House (PIOH) was held on February 10, 2016. The project concept drawing and associated project fact sheets are on display at City Hall and on the City's project web page.
- T-45 Windsor Parkway at Roswell Road Intersection Relocation: Construction continues. [Note: a road closure is in place at Windsor Parkway and Jolyn related to structural integrity issues of the road directly related to stormwater detention construction also taking place in that area. Information related to this project and repairs can be found online at [www.sandyspringsga.gov/windsor](http://www.sandyspringsga.gov/windsor)]
- Interstate North Parkway at Riveredge Parkway: The project to add signalization and turn lane improvements at this intersection continues with completion planned for spring 2016 with signal installation and paving scheduled over the next month.
- Heards at Raider Drive Intersection Improvement: This project will add turn lanes and new signalization at the intersection is scheduled to begin in the next few weeks in conjunction with utility relocations.
- Powers Ferry at Heards Road Intersection Improvement: This project to add turn lanes at the intersection is underway.
