CERTIFICATION

I certify that I, _____, personally made the inspections described hereon. If passed, to the best of my ability, I found compliance with all applicable building codes, ordinance and regulations of the City of Sandy Springs. If failed, I noted any noncompliance. I further certify that I have no interest, and shall acquire no interest - direct or indirect - that would conflict in any manner or degree with the performance of my services for this inspection. I further certify that I am not an employee, nor do I employ, any such person having any such interest.

Technical Employee Inspector's Printed Name

Technical Employee Inspector's Signature

I, as Principal Engineer, certify that I am in responsible charge and that the above inspection was performed under my direct supervisory control, that the inspector is an employee of this company and is currently approved by the City of Sandy Springs to perform the indicated inspections.
