## SSFR

### Operations:

- Responded to a total of 249 calls: Nine fires, 90 EMS calls, 19 Service Calls, 95 Good Intent Calls, 18 False Alarms
- Crews responded to Burdette Road for smoke in the area from an unknown source. Personnel found several small fires behind the listed address. There were 11 stumps and dead trees burning. It appeared that the area had been smoldering for some time; multiple dead trees had burned completely. SSFR and Georgia Forestry plowed a firebreak around the burning areas. Crews later responded to a brush fire call at the same location. They found an approximately quarter acre area with multiple smoldering stumps. The smoldering stumps and hot spots were mopped up with hand tools and water until the area was determined to be cold.
- Crews were dispatched to a trash truck fire in the 8300 block of Roswell Road. They found a large pile of garbage involved in the fire. The transport garbage truck was parked uphill from the burning fire. The driver of the trash truck told SSFR that he was driving on Roswell Road and noticed smoke coming from his cargo hold. He located an immediate, practical area to off load in order to prevent the vehicle from becoming involved with the fire. The load was dumped in the lower parking area for Kroger, away from buildings and vehicles.
- Crews responded to a fire in the 8600 block of Roswell Road and found an approximately 100'x100' area of woods on fire, involving an existing privacy fence of a residence in the 300 block of Waterpine Court. Crews were able to extinguish the fire successfully. Crews checked the site the following day for hot spots.
- Crews responded to a possible structure fire in the 8400 block of Valemont Drive. During the walk-around, crews observed light smoke coming from the screened-in porch. SSFR located fire burning in the living room window frame and beginning to extend up the living room wall, as well as fire burning on the back porch, just outside of the living room window. Crews extinguished the fire, checking for extension into the walls and attic.
