Discussion:

Upon administrative review of the bids, the City of Sandy Springs Purchasing and Legal staffs recommended that award be made to R.J. Haynie & Associates for the following reasons:

1. R.J. Haynie & Associates was the lowest responsive bidder, fulfilling all requirements stated in the bid package.

PUBLIC WORKS

The engineering construction cost estimate for the project was \$497,171.71.

Alternatives:

Two alternatives are:

1. Construct the project as bid.
2. Not fund the project at this time and remove it from the Capital Transportation Program or delay the project for additional future funding consideration.

Financial Impact:

This project has adequate local funds available in the Project T-7000 Budget.
