

# CONSTRUCTION NOTICE: TREE CLEARING COMING SOON

The Georgia Department of Transportation appreciates you being a community partner in the *Transform 285/400* improvement project. As part of the construction efforts, crews will begin clearing trees in your area in the next couple of weeks.

## 5 THINGS YOU NEED TO KNOW:

1. Tree clearing preps the site for construction of the new collector-distributor lanes and noise walls
2. Work will be along the Interstate shoulders in Georgia DOT right-of-way
3. Project crews will close Interstate lanes periodically
4. Most tree clearing will occur during the daytime
5. Night and weekend work is allowed

# ABOUT THE PROJECT:

The *Transform 285/400* improvement project is designed to help reduce traffic congestion and enhance traveler safety in, around, and through the I-285/SR 400 interchange. The project broke ground in 2016 and is projected to complete in mid-2020. Crews are clearing trees on both SR 400 and I-285.

## QUICK FACTS:

- Design and Construction Method: Design-Build Finance
- Project will add flyover ramps and collector-distributor lanes
- Work Zone: 4.3 miles of I-285 from west of Roswell Road to east of Ashford Dunwoody Road; 6.2 miles along SR 400 from the Glenridge Connector to Spalding Drive
