TO: Mayor and City Council

DATE: May 23, 2014 for submission on the Consent Agenda of the June 3, 2014 City Council Meeting
ITEM: Recommendation to enter into Contract Agreement with Blount Construction for Road, Sidewalk, Right-of-Way, Drainage Repair and Maintenance Services for the City of Sandy Springs

Background

Since July 1, 2011, the City of Sandy Springs has held a direct contract with Blount Construction to provide Road, Sidewalk, Right-of-Way, and Drainage Repair and Maintenance services.

Discussion

Blount Construction has provided these services for approximately eight (8) years and wishes to provide continued services to the City for a final term of one (1) year, upon City approval. The not to exceed value of the contract for FY15 is \$1,204,952.36, the same amount as in the past three fiscal years, FY2012, FY 2013, and FY 2014.

Staff recommends awarding a contract extension to Blount Construction to sustain the current level of service and to serve the residents of Sandy Springs. Since July 1, 2013 Blount has completed 348 work orders for 188 patching and pothole repairs, 36 curb and gutter repairs, 21 sidewalk repairs and other repairs and projects. They have also responded to 32 after hours/emergency calls in FY2014.

Blount Construction also assisted in two winter storms in January and February of 2014. They provided staff and equipment while operating in 12 hour shifts for the duration of the storms to clear the City's streets. They also were in charge of obtaining and delivering the bulk salt, sand, and gravel that was used in the winter storm operations.

Alternatives

Council may choose to not award the contract extension.
