

To: Honorable Mayor and City Council Members

From: Wendell K. Willard

Date: For Submission on the June 3, 2014 City Council Meeting Agenda

Item: Resolution to authorize the use of eminent domain to acquire property located at 6332 North Hampton Drive, Sandy Springs, Georgia
Parcel ID: 17-008800020395 ("Property") for public use

City Attorney's Recommendation:

The City Attorney's Office recommends that the Council approve the attached resolution authorizing the use of eminent domain to acquire the above-referenced Property.

Background and Discussion:

The Property is within the scope of the Marsh Creek stormwater project, and acquisition of fee simple interest in the Property is necessary for development of this project. The purpose for which the Property will be acquired constitutes a "public use" under Georgia eminent domain law.

The City Attorney has acted in good faith and has made every reasonable effort to acquire the Property by negotiation. An appraisal was obtained on the Property and the appraiser determined fair market value of the Property to be \$29,600. The City offered the owner the appraised value, which was rejected. Since efforts to acquire the Property by negotiation have not been successful to date, the City now seeks to obtain fee simple interest in the Property by condemnation.
