ADDENDUM NUMBER 2 INVITATION TO BID #19-036

Intersection Improvement Project T-7238 at Johnson Ferry Road and Riverside Drive

Bid Due Date:

May 3, 2019; 2:00 p.m.

Bids received after the above time or any proposal submitted in any other format (email, paper, fax, mail, etc.) than online submissions for this ITB through the Bonfire Portal at <https://sandysprings.bonfirehub.com/projects/view/14448> will not be accepted for any reason.

In reference to the ITB listed above, the following changes are hereby incorporated into the Invitation to Bid:

❖ **ITB 19-036 states the following:**

The bidder qualifications for this project are as follows:

- (1) Bidders submitting bids over \$2,000,000 shall be GDOT prequalified.
- (2) Bidders submitting bids \$2,000,000 or less shall be prequalified or registered subcontractors with GDOT."

This is incorrect for our local projects. We typically require all bidders to be GDOT prime prequalified.

❖ **ITB also mentions the following:**

"The Bidder will be required to sign a "Notice of Intent" (NOI) as the "operator" prior to beginning construction. The Bidder shall be responsible for installing and maintaining the "Best Management Practices" (BMP's) throughout the term of the project. Upon completion and prior to final payment the Bidder will be required to sign a "Notice of Termination (NOT) upon final approval by COSS."

A NOI is not required (pg. 5 in ITB)

I hereby acknowledge receipt of Addendum Number 2 for Invitation to Bid #19-036 Intersection Improvement Project T-7238 at Johnson Ferry Road and Riverside Drive. I have incorporated the necessary changes into my response for the abovementioned Invitation to Bid.
