#### **SSFD**

#### OPERATIONS

- The Department responded to 277 calls: Seven Fires, 92 EMS, 28 Service, 119 Good Intent, and 23 False Alarms.

- Units responded to reports of a brush fire in the 2600 block of Monterey Parkway. On arrival, the crew found a wooded area behind an apartment building (which was not involved) actively burning with moderate fire and smoke coming from multiple areas. Personnel extinguished majority of the fire and overhauled the area by breaking up material and applying 1,000 gallons of water.
- Units responded to reports of a dumpster fire in the 5600 block of Roswell Road. Upon arrival, the crew found a roll off dumpster with active fire contained inside. Crewmembers extinguished the fire with no extension noted.
- Units responded to reports of a possible structure fire in the 6800 block of Peachtree Dunwoody Road. On arrival, the crew found food burning on the stove, which caused a sprinkler head to activate. The fire was out on arrival. Heat damage was contained to kitchen cabinets and ceiling in the kitchen area. Personnel turned off the sprinkler system and removed a majority of the water from the apartment.
- Units responded to reports of a structure fire in the 6400 block of Roswell Road. Upon arrival, crew found a single story commercial building unoccupied with fire visible. All doors were secured with heavy fire above partial exterior storage rooms extending into attic space. Personnel noted an open flowing water faucet on the delta-side exterior wall. Personnel utilized the aerial truck during overhaul for smoldering area in the soffit at the center, delta-side. Crew found heavy fire damage to attached rear storage, mansard roof facade and immediate attic space interior. The interior of the building had extensive to moderate heat, smoke and water damage in the rear quarter of space. The remainder of interior space had smoke damage.
- Units responded to reports of a structure fire in the 200 block of Zephyr Court. Upon arrival, the crew determined that there was a small fire in the second story bathroom caused by a bathroom exhaust fan. The exhaust fan burned and melted, causing the toilet seat to catch fire and melt. Crewmembers extinguished the fire using a water can. Personnel completed the overhaul and checked the area for extension.
- Units responded to reports of a structure fire in the 5500 block of Lake Island Drive. The occupant stated she came home to a house full of smoke with fire in a wall. Personnel made entry to residence and found a bedroom on the main level with dense smoke and a burn pattern on the wall. An outlet appeared to have fire on the outside of the outlet with a plugged in power strip. The crew secured power to the residence. Personnel checked for extension and set up positive pressure ventilation at front door for smoke evacuation.

#### INSPECTIONS

- There were 64 inspections conducted with 22 violations cited.
