

SHOP SMART

Stay Safe

If you are sick, stay home. Have a relative, friend or neighbor shop for you or use an online service

Social Distance

Keep a six-foot distance between you and other shoppers and staff, including waiting in line to enter the store or check out

Limit Contact

Do your best not to touch surfaces. Bring your own wipes to disinfect touch-points, including the handles on shopping carts. Sanitize reusable bags before bringing them into the store

Clean Your Personal Items

Wipe down your cards, keys, and phone before and after you shop

Be Supportive!

We are all doing our best. Be patient as stores work to restock. Do your part by only purchasing the essentials, not stockpiling items.
