---

**To All Prospective Offerors:**

The deadline for questions has passed. In reference to the ITB listed above, the following answers to questions, additions, deletions and changes are hereby incorporated into the ITB:

- 1. Is there an estimated CY quantity for the amount of Rip Rap to used? 6 cubic yards – CLASS I, 12"-18" in thickness**
- 2. Is there an estimation of SF of SOD to be used? The affected sinkhole area is approximately 200 SF, however, bidders must include budget to restore all disturbed areas during construction with matching sod/ground cover.**
- 3. What is the percentage required for the bid bond? 5%**
- 4. Was the pre-bid mandatory? The pre-bid meeting is not mandatory**
- 5. Please email us the list of Bidders for this project.**
