SSFD

OPERATIONS

- Responded to 216 calls: One Fire, 59 EMS, 21 Service, 114 Good Intent, 14 False Alarms
- EMS call volume is returning to normal levels for this time of year.
- Section Chief attended State office of EMS updates and Region D updates meeting.
- Units responded to reports of a tree down on power lines in the 5200 block of Springs Trail. Upon arrival, the crew found a large tree down across the roadway and on top of a parked vehicle. Power lines were also down. Personnel spoke with neighbors who were outside to ensure there were no injuries. Georgia Power arrived on scene secured the remaining lines, ensuring the power was off. The tree was removed and lines repaired.
- Units responded to reports of a small outside fire in the 1800 block of Jefferson Drive. A small pile of mulch next to the building was smoldering. Personnel extinguished the fire using a water can and front trash line. The crew removed a small amount of charred exterior siding to ensure no extension into the structure. Personnel removed any charred wood/sheetrock and reviewed the structure with a thermal imaging camera.
- Units responded to reports of a dog stuck in a drainage tunnel in the 8200 block of Hewlett Road. The crew was immediately able to hear the dog making noises and breathing in the tunnel. The tunnel, made of concrete, was approximately 24" in diameter. Personnel were able to see about halfway down but could not get a visual on the trapped dog. The opposite end of the tunnel was covered with rock and concrete with a buildup of debris. The crew continued to break apart the rock and concrete barrier with the homeowners' permission while waiting for an air chisel. Personnel were able to remove enough concrete to get a visual on the dog who was about 10-12 feet inside the tunnel. Air quality was monitored throughout the rescue. Oxygen levels remained steady and no harmful gases were detected during the operation. The crew was able to successfully harness the animal and bring it out safely.
