Total Alarms: 12; False Alarms: 12; Calls for Service: 2,650; Citizen Initiated: 713; Officer Initiated: 1,937; Accidents: 76

SSFD

OPERATIONS

- Responded to 270 calls: Two Fires, 68 EMS, 43 Service, 127 Good Intent, 24 False Alarms
- SSFD experienced an increased in EMS call volume this week.
- Units responded to reports of a structural collapse in the 1200 block of Summit Springs Drive. The tenant that dialed 911 advised that the ceiling had collapsed. Upon entering apartment, the crew observed that the living room ceiling had collapsed. The tenant advised that she had told leasing office earlier in the day about ceiling showing signs of falling.
- Units responded to the 1100 block of Johnson Ferry Road to reports of a vehicle into a medical clinic building with injuries reported. On scene, the crew found a single unoccupied vehicle partially in the building. An American Medical Response (AMR) unit was already at the location, evaluating patients inside the office. Two patients were in need of treatment and transport. AMR, office medical professionals, and fire personnel treated patients. Building maintenance secured power to the damaged area of the building. The unstable vehicle was on a wall and in jeopardy of rolling further into the building. The crew used a portable winch to remove the vehicle from the building. Personnel checked the building for structural damage. All damage appeared to have missed any major structural support members.
- Units responded to reports of a possible structure fire in the 300 block of Winding River Drive. The crew arrived on scene to a three-story residential building with nothing showing. Residents informed personnel of a cooking fire, which was extinguished with an ABC extinguisher. Upon entry to the building, the crew noticed smoke coming from the effected apartment unit and checked the stove area for any signs of fire with none found. Personnel checked and ventilated the unit and adjacent apartment units. Personnel advised resident to contact building maintenance to install new vent system and stove.

INSPECTIONS

- There were 41 inspections conducted with no violations cited.

FIRE TRAINING

- SSFD continued High Angle Training at a 10-story high rise with our Technical Rescue Team as well as Cobb County Squads and Forsyth County Heavy Rescue.

EMERGENCY MANAGEMENT

- SSFD continued to distribute needed PPE (Personal Protective Equipment) to city departments and secured additional PPE to maintain a steady supply.
- SSFD has provided personnel to screen all visitors to City Courts.
- There were 36 employees tested in the last week for COVID-19. The department continues to monitor any employees with exposures.
- Sandy Springs submitted an application for the CARES Municipality Grant for COVID-19.
