- Pollinator program is in development.
- Submitted proposed Robotek (Robotics) program for approval.
- Registration opened for city-wide soccer program.

## Performing Arts Center

- We are continuing to see good participation in the Farmer's Market. At an attendee's request, about a dozen masks were handed out at last Saturday's event to help everyone stay in compliance with the City's Ordinance. Pet waste is a growing problem, with several instances noted where pet parents did not clean up after their pets. We are updating messaging for the Market to remind all of correct pet behavior.
- A second "cooking with chef" video was released as part of the Create and Connect video series on the City Springs social media. The Food and Beverage team in collaboration with Communications produced the videos. This month, we celebrated our State's favorite fruit, the peach, which is also currently in peak season. You can see the videos at [facebook.com/citysprings](https://facebook.com/citysprings)
- The Coles College MBA education program returned to City Springs this week. Students were pleased to be back in the venue, and all are social distancing and wearing masks as part of the COVID safety protocol.
- The Events and Sales team remains busy rescheduling cancelled events for 2021. Among those events: Slingin' Wings, Elite Dance showcases, CK DanceWorks Performance Shows, and Food That Rocks.
