City Attorney's Recommendation:

The City Attorney's office recommends that the City Council approve the attached resolution and Charter amendment.

Background:

The City is required to reapportion its election districts for municipal elections based on the 2010 decennial census in order to comply with the one person – one-vote requirements of the United States Constitution. This must be done prior to the election of members to the City municipal governing authority at the next regular general municipal election following publication of the decennial census. The reapportionment is accomplished by ordinance amending the City Charter in compliance with the provisions of Chapter 35 of Title 36 of the Official Code of Georgia Annotated ("O.C.G.A.") relating to home rule powers of municipal corporations (O.C.G.A. § 36-35-1, et seq., are referred to as the "Act").

Discussion:

O.C.G.A. § 36-35-4.1(a) provides that, subject to the limitations provided in the Act, the governing authority of any municipal corporation is authorized to reapportion the election districts from which members of the municipal governing authority are elected following publication of the United States decennial census of 1980 or any future such census, and that such reapportionment of districts shall be effective for the election of members to the municipal governing authority at the next regular general municipal election following the publication of the decennial census.

O.C.G.A. § 36-35-3 allows municipal charters to be amended by ordinance duly adopted at two (2) regular consecutive meetings of the City Council not less than seven (7) nor more than sixty (60) days apart. A notice containing a synopsis of the proposed amendment to the charter is required to be published in the official organ of the county of the legal situs of the municipal corporation or in a newspaper of general circulation in the municipal corporation once a week for three (3) weeks within a period of sixty (60) days immediately preceding its final adoption, and to be available for examination and inspection by the public in the office of the City Clerk and in the office of the Clerk of Superior Court of Fulton County.

O.C.G.A. § 36-35-5 provides that no amendment or revision of any charter made pursuant to the Act shall become effective until a copy of the amendment or revision, a copy of the required notice of publication, and an affidavit of a duly authorized representative of the newspaper in which the notice was published, to the effect that the notice has been published as provided in the Act, has been filed with the Secretary of State and in the office of the Clerk of the Superior Court of the county of the legal situs of the municipal corporation.

The proposed dates for consideration and adoption by City Council at regular session are March 19, 2013 and April 2, 2013. Publication of notice is anticipated to be during the weeks of March 3, March 10, and March 17.
