ITEM: Issuance of Task Order to Jacobs Engineering for Gymnastics/Hammond Park Gymnasium

Background

The previously executed agreement between the City and the Sandy Springs Recreation to provide services at the Hammond Park Gymnasium was dissolved July 15, 2011.

Discussion

In light of the contract termination, the City identified the need to obtain services to manage the Hammond Park Gymnasium and provide gymnastics programs. Jacobs Engineering, the City's current holder of the task order to provide Recreation and Parks services, was asked to develop and discuss a proposal to provide said services under the terms of their current contract with the City.

Working with staff, Jacobs has proposed to hire two FTE staff to manage and oversee the Gymnastics program and manage the Hammond Park Gymnasium. In addition, all part time instructors who are paid on a percentage-of-fees basis will become independent contractors with Jacobs. Jacobs will provide administrative oversight of the instructors to include processing of payroll, tax forms and collection and remittance of taxes. Administrative oversight will be provided at a rate of 4.5% of the total participant fees paid out to the part time instructors. Estimates place this amount at \$14,625 per year (based on a total fee payout of \$325,000).

Recommendation

Staff recommends issuance of a one year Task Order to Jacobs Engineering for Gymnastics/Hammond Park Gymnasium. The amount of the Task Order is \$222,830.

Alternatives

Council could choose not to award the Task Order resulting in a decrease of recreational programming in the City.

Financial Impact

The anticipated annual cost of the Task Order plus administrative expense is \$237,445.
