

To: John McDonough, City Manager

From: Blake J. Dettwiler, AICP, Director of Community Development

Date: March 25, 2011 for submission onto the April 5, 2011 City Council Work Session

Agenda Item: **Resolution to Support the Rehabilitation of Affordable Housing Units for Older Persons on Property Located at 144 Allen Road**

CMO (City Manager's Office) Recommendation:

APPROVAL of a resolution in support of the application by the Benoit Group, LLC, an Atlanta and Valdosta, Georgia based for-profit organization, for low income housing tax credits.

Background:

Allen Road Senior I will consist of approximately 2.00 acres and is currently zoned A-L (Apartment Limited District) pursuant to zoning case Z81-0129. The rehabilitation will be of housing for older persons at 144 Allen Road and will include one hundred (100) units of which ninety (90) units will be set aside for low income residents sixty-two (62) years of age and older

Discussion:

The 2011 allocation plan for tax credits towards developments of the type described herein gives additional consideration to any financing application which has the support of the official governing body of the jurisdiction in which the development is located, and such consideration significantly increases the likelihood of the project becoming a reality.

At this time, staff is recommending that the Mayor and City Council support the developer's application for Qualified Allocation Plan tax credit assistance.

Re: Proposed Disposition of Selected Housing Authority property located at the Allen Road Public Housing Community located at 144 Allen Road, Atlanta (within the incorporated boundaries of the City of Sandy Springs) Georgia ("Property")

Dear Ms. Stewart:

The Mayor's Office has consulted with the Housing Authority of Fulton County ("Authority") regarding the proposed disposition of the above-referenced Property and supports submission of an application for approval of this disposition to the United States Department of Housing and Urban Development ("HUD").

The City of Sandy Springs understands the Authority's decision to dispose of the Property consisting of a total of 100 residential units [(98) ninety eight-(1) one bedroom units and (2) two-(2) two bedroom units] with common areas and associated amenities. The Property has become functionally obsolete and no longer provides viable affordable housing to the residents of Fulton County. Thus, it is the intent of Authority to seek permission from HUD to remove the Property through disposition from the Annual Contributions Contract (ACC) and thereby deregulate their use, and to redevelop the Property into a new modern mixed finance community to serve elderly residents of North Fulton County.

If you need further assistance, please contact my office.

Sincerely,

Eva Galambos, PhD
Mayor, City of Sandy Springs

DISPOSITION OF THE ALLEN ROAD PUBLIC HOUSING COMMUNITY

ITEM NO: FY2011-009

To consider and approve the disposition by the Housing Authority of Fulton County, Georgia (the "Authority") the property known as the Allen Road Public Housing Community located at 144 Allen Road, Atlanta, Fulton County, Georgia (the "Property").

BACKGROUND:

The Authority owns a 100 unit apartment property known as the Allen Road Public Housing Community ("Allen Road"). The purchase of the property was funded by the United States Department of Housing and Urban Development ("HUD"), and is designated as "public housing". Constructed in 1984, the property is a single high-rise building consisting of a total of 100 residential units [(98) ninety eight-(1) one bedroom units and (2) two- (2) two bedroom units] with common areas and associated amenities. Allen Road is within the incorporated boundaries of the newly created City of Sandy Springs. Currently there are 57 (fifty-seven) parking spaces with the entire site consisting of approximately 3.68 acres of land. The Property continues to be funded through the Annual Contributions Contract (ACC), in exchange for a commitment from the Authority to maintain those units for low-income use under the system of rules that governs federally funded public housing. However, Allen Road is functionally obsolete and no longer provides viable affordable housing to the residents of Fulton County. Thus, it is the intent of HAFC to redevelop the property into a new modern mixed finance community to serve elderly residents of North Fulton County. In order to do so, the authority will seek permission from HUD to remove the Property through disposition from the ACC and thereby deregulate their use.

RESOLUTION:

WHEREAS, the Authority believes it is in the best interest of the Authority to begin the disposition process with HUD to dispose of the Property; and

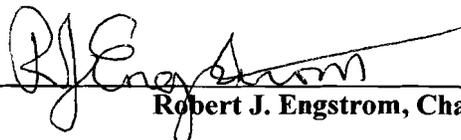

WHEREAS, the Authority seeks the approval of the Authority's Board of Commissioners (the "Board") to begin the process of disposition of the Property; and

WHEREAS, the final disposition of the Property will not be completed without the final approval of the Board.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE HOUSING AUTHORITY OF FULTON COUNTY:

Considers and approves the Authority moving forward with the application process for the disposition of the Allen Road Public Housing Community located at 144 Allen Road, Atlanta, Fulton County, Georgia, with the final resolution of support of the application to be entered upon completion of the stated application process.

BE IT RESOLVED THIS 17th DAY OF MARCH, 2011

Robert J. Engstrom, Chair
