Re: Project Management Technology, Account No. 6067

Dear Mr. Casey,

I would like to request a hearing regarding late penalty and interest fees associated with our 2010 Business Occupational Tax Certificate renewal. The circumstances relating to the late submittal are detailed in the attached letter to Ms. Amy Davis of the Revenue Division.

On Friday, April 23, 2010, I received a call from Revenue Supervisor, Mr. Brandon Branham informing me of a partial waiver of the late fees. In a request to waive the remaining $450, I have included substantiating documents showing our company's compliance with the requirements of the City of Sandy Springs.

Thank you for your time and consideration in this matter. Should you have any questions, please contact me at 678-323-1607 (office) or 404-408-3043 (cell).

Re: Account No. 6067

Dear Ms. Davis,

It has come to my attention that our company's mailing address is incorrect in your records. Please refer to the attached letter which I received 4/15/2010. The physical address and mailing address should read as follows:

Project Management Technologies
5775 Glenridge Drive
Bldg B, Suite 500
Sandy Springs, GA 30328

Since relocating to our current location in July 2008, we have had numerous instances of misdirected and non-receipt of U.S. mail. Unfortunately, the renewal notice for our 2010 Business Occupational Tax Certificate falls into this category. Although the attached letter notifying us of the failure to obtain the tax certificate prior to the deadline was successfully delivered, the initial renewal notice was not.

It is for this reason that I would like for you to consider waiving the Late Penalty Fee of 10% as well as the Late Interest Fee.

Thank you for your consideration and assistance in this matter. Please contact me at 678-323-1607.

Kind regards,

Becky Naylor

PENALTIES

The City of Sandy Springs Revenue Division shall assess a penalty in the amount of ten percent (10 %) of the amount owed for each calendar year or portion thereof for:

1. Failure to pay occupation taxes and administrative fees when due;
2. Failure to file an application by **March 31** of any calendar year, when the business or practitioner was in operation the preceding calendar year; and/or
3. Failure to register and obtain an occupation tax certificate within thirty (30) days of the commencement of business.

Delinquent taxes and fees are subject to interest at a rate of 1.5 percent per month.

Issuance of a business occupational tax certificate is not to be considered as an approval of said business use and in no way confirms that said business meets the requirements of the City of Sandy Springs Zoning Resolution or the conditions of zoning approval.

The applicant must apply separately for zoning approval to the appropriate Sandy Springs Department. Any incidence of "nonconformity" relating to the above zoning requirements will subject the certificate holder to possible revocation of the certificate.

When you have a change of address, you complete a new form with the new address-this is routed to zoning as new. Hence, is why you will write "change of address" at the top of the form. As I stated yesterday, the transfer fee is the only fee you will have.

Hello Renee,

The form which was sent yesterday refers to new businesses. We have already paid our taxes for 2008. What we need to do now is simply change our address. I realize there will be a $50 change fee. By filling out the form, I would like verification that additional tax expenditures will not be incurred.

Is there a different form which is specifically for change of address?

Thank you,

Please provide the following information: a revised new business application with the new address, and a $50.00 transfer fee. We will forward the application to zoning where they will verify the address and once that's done we will provide an updated certificate. PENALTIES

The City of Sandy Springs Revenue Division shall assess a penalty in the amount of ten percent (10 %) of the amount owed for each calendar year or portion thereof for:

1. Failure to pay occupation taxes and administrative fees when due;
2. Failure to file an application by **March 31** of any calendar year, when the business or practitioner was in operation the preceding calendar year; and/or
3. Failure to register and obtain an occupation tax certificate within thirty (30) days of the commencement of business.

Delinquent taxes and fees are subject to interest at a rate of 1.5 percent per month.

Issuance of a business occupational tax certificate is not to be considered as an approval of said business use and in no way confirms that said business meets the requirements of the City of Sandy Springs Zoning Resolution or the conditions of zoning approval.

The applicant must apply separately for zoning approval to the appropriate Sandy Springs Department. Any incidence of "nonconformity" relating to the above zoning requirements will subject the certificate holder to possible revocation of the certificate.
