

**ADDENDUM NO. 2
INVITATION TO BID
Glenforest Road Drainage Improvement Project**

BID NUMBER

15-040

Bid Due Date

JANUARY 13, 2015; 2:00 PM

City of Sandy Springs Purchasing Office
7840 Roswell Road Suite 500
Sandy Springs, Georgia 30350

1. I see in the plans it calls for us to remove 27' of Guardrail, but it does not say if we have to put new guardrail back? Drawing 13-01. **The reconfigured shoulder shown in the plan does not require a guard rail.**
2. Plans say that the contractor has to adjust the gas mains to eliminate conflicts and for us to coordinate with AGL? Shouldn't this be for AGL to adjust their line and for us to coordinate this with them? Drawing 13-01. **COSS is already coordinating with AGL to adjust their line.**
3. The plans show doing 4 different road crossings with patching the asphalt back. It sure is going to be a cut up paving checkerboard job when we leave. Wouldn't it be better to overlay the intersection so this is all covered up and uniform? **The entire road is on the city paving schedule.**
